City Council of Reykjavík

Honourable Members of the City Council,

On the occasion of the inaugural Women Leaders Global Forum, co-hosted by Women Political Leaders (WPL) and the Parliament and Government of Iceland on 26-28 November, 2018, in Reykjavík, WPL is partnering with leading global market research agency Kantar to create a new index of perceptions of gender roles in leadership around the world.

In recognition of Reykjavík and Iceland's status as the world champion for gender equality, WPL and Kantar propose to call this index of countries across the globe, the **Reykjavík Index for Leadership**.

I therefore write to inform you and to seek your support for this initiative, which will create a high-level, positive association for the Reykjavík name.

If you have any further enquiries, please do not hesitate to contact me or Rick Zedník, WPL, via rick@wpleaders.org.

Thank you for your consideration.

Yours sincerely,

Silvana Koch-Mehrin
President
Women Political Leaders (WPL)
